

# Assistant Professor or Tenure Track in Management Accounting or related fields

The Department of Management at Aarhus BSS, Aarhus University, invites applications for an assistant professor position in the field of Management Accounting or related fields.

The assistant professorship can either be a fixed-term three-year position or an open-ended tenure-track position with a tenure review in four to six years and with a positive associate professor assessment before the end of the fifth year of employment. Please state in your application whether you are applying for a fixed-term three-year position or an open-ended tenure-track position. Read more about the [tenure track employments](#) at Aarhus BSS.

The starting date is June 1, 2026, or as soon as possible hereafter subject to mutual agreement.

## Job description

The qualified applicant is expected to contribute significantly to the department's research and teaching environment and activities. We expect you to teach and supervise students at Bachelor's and Master's level and to carry out individual and group-based research of the highest international standard, which contributes to developing the academic field in question.

The department especially welcomes applicants who can teach in Management Accounting or related fields.

The department is international, and the working language and language of teaching in the majority of courses is English. Nevertheless, for improved career-prospects and to further employees' flexibility in teaching, research and dissemination to the public, non-Danish applicants are expected to learn Danish within the first few years of employment.

## Your qualifications

To qualify for the position as assistant professor in Management Accounting you must hold a relevant PhD or have equivalent qualifications.

## Who we are

The Department of Management is part of [Aarhus BSS](#), Aarhus University – a top 100 university. Aarhus BSS has achieved the triple-crown AACSB, AMBA and EQUIS accreditations.

The department has an international research and teaching environment, employs approximately 160 Danish and international researchers, academic staff, and PhD students. We excel in business management, including strategy, innovation, marketing, organisation, digitalisation, and accounting. Our aim is to deliver high-quality research, with a strong emphasis on publishing in leading academic journals and presenting at recognised conferences.
