

# Associate Professor at Department of Management

The Department of Management at Aarhus BSS, Aarhus University, invites applications for one or more positions as associate professor in Management. The associate professorship is a full-time and permanent position starting on August 1, 2025 or as soon as possible subject to mutual agreement.

## Job description

The ideal applicant is expected to contribute significantly to the department's research and teaching environment and to the overall research strategy of the School.

You are expected to teach and supervise students at Bachelor's, Master's and PhD level and to carry out individual and group-based research of the highest international standard contributing to the development of our academic field.

On this occasion and without prejudice, the department especially welcomes applicants who can teach and do research in the following areas:

- Financial accounting and auditing
- Management Accounting
- (Management) Information Systems and Digitalization
- Leadership and Organisation (Behaviour, Design and HRM)
- Strategy
- International Business
- Marketing
- Innovation and Entrepreneurship

The department is international, and the working language and language of teaching in the majority of courses is English. Nevertheless, for improved career-prospects and to further employees' flexibility in teaching, research and dissemination to the public, non-Danish applicants are expected to learn Danish within the first few years of employment.

## Qualifications

Applicants must possess research qualifications and teaching skills corresponding to those obtained after successful completion of a period of employment as an assistant professor, but equivalent academic qualifications may also be accepted.

Permanent employment as associate professor at Aarhus BSS requires completion of the supervision course and also the course Online and blended learning provided by Centre for Educational Development at Aarhus University. If you have not completed the courses before commencement of employment, continued employment will be conditional on completion of the courses within a two year period.

**The required qualifications are elaborated below:**

### 1. Research qualifications

The department is ambitious in terms of research publications.

Applicants are expected to have a well-documented international research profile with emphasis on innovative contributions in high standard, peer-reviewed publications:

- Applicants must have produced and published research in addition to the PhD thesis and must demonstrate progression in the form of research publications that go beyond the PhD thesis, either thematically, theoretically, methodologically and/or empirically.
- A qualified applicant has at least three articles published or accepted for publication in high standard, international, peer-reviewed journals. A significant part must have been produced after finishing the PhD degree.
- Emphasis will be put on current and recent productivity and take into account the

number of years at present academic level.

- Applicants must demonstrate the capacity to carry out independent research. In reviewing applicants, emphasis will therefore be on publications where the contribution of the applicant is substantial, as evidenced by first authorship and through co-authorship declarations.
- In terms of evaluating the qualitative aspects of an applicant's research competences, focus is on the publications submitted for assessment.

## **2. Didactical/pedagogical competences and experiences**

Teaching and advising students at different levels is a main activity of an associate professor at the Department of Management. The Department is ambitious in terms of our teaching programme at BA, MA and PhD level.

- All applicants submit a teaching portfolio, where didactical/pedagogical competencies are carefully documented.
- A qualified applicant must have experience from teaching several courses at different levels and on different topics. 6-8 courses are normally a minimum requirement.

## **3. Qualifications relating to research cooperation and management, and knowledge sharing with the public.**

Applicants must have some experience in performing research cooperation, research management and knowledge sharing, possible editorial experience from professional journals or edited volumes, and possible experience with planning and running professional conferences, workshops etc.

Applicants must have good communication skills and must have the ability to work as part of a team.

### **Who we are**

The Department of Management is one of the six departments at [Aarhus BSS](#)- one of the five faculties at Aarhus University. Aarhus BSS unites the business and social science-related research fields and brings them closer together to reflect the close relationship between society and the business community. As part of a Top 100 university, Aarhus BSS and the Department of Management have achieved the distinguished AACSB, AMBA and EQUIS accreditations.

The department's research and teaching environment is highly international and culturally diverse with a mix of Danish and international academic staff members and PhD students. We employ more than 160 academic staff including researchers, PhD students, research associates and cover a broad range of disciplines within management. e.g. marketing, international business, organization, HR, strategy, management accounting, innovation management, entrepreneurship, digitalisation, and information systems. We aim to conduct high-quality research, and we give high priority to publishing our research in leading academic journals and presenting it at recognised conferences. In addition, we have a dynamic exchange of international researchers, who stay at the department for short or long periods of time.

## **Bedømmelsesprocessen**

Der gøres brug af shortlisting. Det betyder, at et ansættelsesudvalg (bistået af formanden for bedømmelsesudvalget) rådgiver institutlederen om, hvilke ansøgere der samlet set bedst matcher instituttets og fakultetets rekrutteringsbehov, og som besidder ovenstående kvalifikationer, kompetencer, erfaring og potentiiale.

Institutlederen udvælger gennem shortlistingsprocessen de ansøgere, der skal have en grundig vurdering af deres faglige kvalifikationer. Bedømmelsesudvalget vil herefter vurdere disse ansøgere. Alle ansøgere vil blive underrettet om, hvorvidt deres ansøgninger er blevet udvalgt eller ej, og sendes til et bedømmelsesudvalg til bedømmelse. De udvalgte ansøgere vil blive informeret om udvalgets sammensætning.

Vær opmærksom på, at bedømmelsen af ansøgere udelukkende er baseret på det materiale, der er modtaget inden ansøgningsfristens udløb.

Du kan få yderligere oplysninger om rekrutteringsprocessen, udvælgelsesproceduren og retningslinjer for vurderingsudvalg på denne [hjemmeside](#).

Aarhus Universitet vil være en attraktiv og inspirerende arbejdsplads for alle og ønsker en kultur, hvor hver enkelt kan udfolde og udvikle sig. Vi ser ligestilling og diversitet som en styrke og opfordrer derfor alle interesserede til at ansøge.

*Ansøgning sendes via Aarhus Universitets rekrutteringssystem, som kan tilgås under stillingsopslaget på Aarhus Universitets hjemmeside.*
